# JOHNS RIVER VALLEY CAMP

## 2010 PROGRAM NOTES

Johns River Valley Camp is an outdoor ministry site owned and operated by the **Southern Conference of the United Church of Christ**. The 2010 curriculum “Be a Hero, Living like Jesus” is a **New Earth** Christian Resource for the Outdoors produced by the Christian Board of Publication.

Says the curriculum editor: “You, your staff, and your campers are invited to explore what it means to “Be a Hero” for God. Through a variety of stories about both biblical and contemporary heroes, campers will discover the characteristics of the hero and consider ways in which they too can be heroes. All of us involved in creating these resources pray that they will enrich and enable your ministry as you reach out to campers with the good news of Jesus Christ.”

Johns River Valley Camp is accredited by the **American Camp Association**.

Benefits of camp, as expressed by the American Camp Association, include:

- \*Experience a community that fosters positive relationships, healthy risk taking, and acceptance.
- \*Experience a community where children, youth, and adults play to learn.
- \*Experience a community where learning contributes to growth and development.
- \*Experience a community where everyone is welcome.

*[[http://acacamps.org/media\\_center/benefits\\_of\\_camp/messages.php](http://acacamps.org/media_center/benefits_of_camp/messages.php)]*

**Two camp environments** offer a diversity of programming in the Johns River setting

- 1) **Mainsite**, an area serving the camp since its founding in 1936, describes a developed portion of the camp where campers take their staff prepared meals in the Dining Hall, engage in traditional age appropriate activities, and lodge in mainsite cabins.
- 2) **Outpost**, a bit more remote, identifies a setting where campers share in preparation of meals, learn outdoor living skills appropriate for their age level, lodge in A-frame cabins, and engage in adventure activities as identified in the camp descriptions.

Some **miscellaneous notes**:

- \*Listed grades represent “rising” or next year’s class.
- \*Housing procedures at camps will generally place persons from the same church in different cabins except for first time junior campers when parents make a special request. Experience has demonstrated that this policy enhances the camp experience for both campers and the camp community.
- \*The \$30.00 advance registration fee is non-refundable, but does apply toward the balance of fees associated with a given camp program.
- \*Registrations should be in the hands of camp registrar at least two weeks prior to an event. Earlier registration is preferred, as various follow-up materials (i.e. health forms, travel directions, what to bring, etc.) will be sent to camper family **after** registration has been received.
- \*Off site trips are identified in camp brochure or advance materials sent to camper families. Junior campers enjoy hikes on adjacent National Forest lands, but do not -- at this age level -- visit more distant destinations requiring vehicle transportation.
- \*JRVC trips onto National Forest System Lands are authorized under Special Use Permit by the Pisgah National Forest.
